Registration Form

We realize that each dancer has their own ability level, personality, style and preferences; therefore, we have provided a program that will allow the dancer to choose what level and style of dance they would like to attend. All dancers will need to be registered under a level (Beg, Int, or Adv), which is only a guide for space and logistics; however, they are free to change levels as needed per class.

It is very important that every client completes the **Registration Form**. Therefore, this information may not be obtained over the phone. Please be specific and thorough when filling this out. Prompt return of this information will help us to provide the best convention camp experience possible and to better meet your specific needs.

Please submit your registration **on-line** at www.crowdpleasersdance.com under Pure Dance Jams. Please note that your initial registration numbers do not have to be exact and may be updated at a later date. **The information in this packet is extremely important to the success of the convention. We appreciate you taking the time to print out and carefully read.**

Prior to convention, you will receive an invoice for the balance of your bill, based on the number of dancers indicated on the Registration Form. **The balance of your convention fees must be received before or on the first day of convention.** Please mail all payments to:
